## **Student Code of Conduct and Parental Release**

The Bill of Rights Institute *Constitutional Academy*

### I. Student Code of Conduct

#### Parents and Students:

The Bill of Rights Institute (BRI) takes our responsibility for the safety and security of our student participants very seriously. For this reason, we ask students who participate in our program to comply with a strict Code of Conduct. Any student who violates the Code of Conduct will be immediately expelled from the program without refund and sent home at the expense of his or her parents (or custodial parent or legal guardian).

To complete the application process, BRI requires students to sign a statement that they have read and understand the student Code of Conduct, and that they understand the consequence of a violation of the Code of Conduct. BRI also requires the student's parents to sign a statement that they have read and understand the Code of Conduct their son or daughter is expected to abide by, and that they understand the consequences of a violation of the Code of Conduct.

1. Students are forbidden to use or possess alcoholic beverages.
2. Students are forbidden to use or possess tobacco products of any kind.
3. Students are forbidden to use or possess drugs of any kind, except as prescribed by a physician. (Prescription medications must be carried in pharmacy packaging, with prescribing physician and dosage information.)
4. Students are forbidden to use or possess weapons of any kind.
5. Students are forbidden to enter any dormitory room other than the room they are assigned. (Our facilities offer a lounge area where students can congregate between and after program sessions.)
6. Students are forbidden to permit anyone to enter their dormitory room other than their assigned roommate. (If necessary for nightly room checks or other purposes, a BRI program staff member may enter a dormitory room when accompanied by a member of our on-site security staff.)
7. Students are forbidden to operate motor vehicles, or to ride in any motor vehicles other than those contracted by the Bill of Rights Institute.
8. Students are required to remain within our program facilities (dormitory, student lounge, and classroom areas, as appropriate) except as part of program activities directed by BRI staff or program personnel.
9. Students are required to remain with the BRI group when on off-campus program activities.
10. Students are required to be in their assigned rooms by the 11:00 PM curfew. (Room check will begin no later than 11:00 PM; lights out and quiet time begin thirty minutes after room check.)
11. Students are required to participate in all program assignments and activities (except in case of illness documented, in writing, by a health care professional).
12. Students are required to follow the instructions of BRI staff or program personnel.
13. Students are required to obey all federal, state, and local laws, and all policies governing conduct at or the use of our program facilities.
14. Students will respect speakers and their fellow students so as to create a positive environment for learning and the exchange of ideas.
15. Students will respect those with whom we will share our program facilities by conducting themselves appropriately. Students are especially asked to refrain from shouting, running in the halls, or roughhousing.
16. Students will respect our hosts by treating program facilities as they would their own home. Students who abuse, deface, or otherwise damage program facilities will be held to have violated the Code of Conduct, and their parents will be held financially responsible for any damages.
